After purchasing, students can access digital resources by logging into their MyConnect2 account.

We recommend using your school email address to log in and check everything is set up before the school year begins.

If you don't yet have the student's school email address, please check at school in the first week back.

For login help and more information, visit: https://campion.com.au/myconnect2-login/

Things to remember:
·Digital access at your school is provided via MyConnect2 – there's no need to use the code in your print book
·Digital resources are single user licenses and are valid for 15 months if a year level title and 27 months if a staged title (unless otherwise stated)
·Please choose carefully, as digital resources cannot be returned, refunded or exchanged for change of mind.
