**S**

## SHINE YOUR LIGHT

SCEGGS girls stand out. We value girls to be confident and articulate members of the sports community, and to strive to be the best they can be.

**C**

## COMMITMENT

We expect full commitment to sport from all students. This includes attendance at all trainings and games, but also commitment demonstrated through punctuality and attitude.

**E**

## ENTHUSIASM

Being enthusiastic and passionate can look different from person to person. However, we expect girls to have a positive attitude, to be ready to learn and improve, and to display interest and energy.

**G**

## GRACIOUSNESS

Girls must display sportsmanship and respect at all times, and to all people. This includes supporting each other with warmth, sincerity and compassion.

**G**

## GRIT

We value perseverance, resilience and determination in the face of challenge and disappointment.

## SPRIT

Girls should be proud to represent SCEGGS in all sporting activities, and at all levels. Pride is demonstrated through their willingness to adhere to school expectations at sport, and to display all key values.
