

Domremy College Five Dock

Antoinette McGahan
Principal

About the Principal

Domremy is a place of infinite possibilities with an explicit focus on girls' education. The students are at the heart of innovative curricular and co-curricular activities.

About the School

Domremy College stands for excellence, tradition, faith and service to others. It is a comprehensive high school, Years 7-12 Girls, with a strong focus on the spiritual, academic, social and physical development of its students and is a vibrant and dynamic community.

Illuminating the path for students

At Domremy College, grounded in the enduring legacy of Venerable Nano Nagle and the Presentation Sisters, we are delighted to introduce our 23 committed student leaders for 2026. These young women step forward with a deep appreciation of our Charism and our Motto, La Veritè, ready to guide our community with integrity, courage, and compassion.

Our 2026 College Theme, **"Together our light shines brighter. Will you light your lantern?"**, invites every student to recognise the power of collective strength. Inspired by Nano Nagle's lantern, a symbol of hope, resilience, and service, this theme encourages our community to illuminate the path for one another. It reminds us that while each individual light is meaningful, it is when we shine together that we create lasting impact.

Throughout 2026, our College theme will be woven into all aspects of school life, student engagement, leadership formation, wellbeing initiatives, and community outreach. Our student leaders will model what it means to carry the lantern for others, fostering an environment where every student feels seen, supported, and empowered to contribute.

This year, our Year 12 students have embraced their own motivating theme, **"Just keep swimming"**, a simple yet powerful message encouraging perseverance, optimism, and steady progress. As they navigate their final year, this theme serves as a reminder that challenges can be met with determination and that forward movement, no matter the pace, is an achievement in itself.

Our commitment to social justice, central to the mission of the Presentation Sisters, continues to flourish through initiatives such as the Breast Cancer Awareness Walk, Project Compassion, and Vinnies Sandwich Making. These acts of service reflect our belief that education extends beyond the classroom and into the heart of the community.

At Domremy College, we nurture young women who are compassionate, faith-filled, and ready to make a difference beyond our gates. With the guidance of our 2026 leaders and the inspiration of this year's themes, we continue to cultivate a vibrant, inclusive, and hope-filled learning environment, one where every student is encouraged to shine their light and support others to shine too.
