Domremy Onsite workshops:

- Compass Events will be created for the on site sessions above.
- Facilitating teachers will be required to mark the roll at the commencement of the session.

SCS workshop lessons

- Students will need to log into the Teams meeting with their full name and SCS Student email address.
- We encourage students to use the Q&A function to ask questions.
- These lessons are the equivalent of a virtual classroom and we expect students to behave as such.
- Any inappropriate behaviour will be given a warning and any continuing misbehaviour will result in students being removed and reported to their respective schools.
