Get active, get involved!

Get active with Breakthru and Motiv8sports after-school program

If you're looking for a fun, inclusive way for your child to stay active, make friends, and build confidence our 8-week all abilities sports program might be the answer!

Delivered in partnership with our friends at Motiv8sports, your child will have the opportunity to experience engaging activities that focus on energy and effort rather than a child's sporting ability.

Register your interest by 7 October 2025!

If you're interested in this program, please complete our expression of interest form by scanning the QR code above or visiting breakthru.org.au/motiv8 and one of our friendly staff members will be in touch.
