The poster is a vertical rectangular graphic with a blue background. At the top left, the title 'Practical Steps for Action: Empowering Your Child's Career Journey' is written in white and yellow. To the right of the title is the 'BEYOND' logo in white, with 'CATHOLIC SCHOOLS' written in smaller text below it. Below the title, it says 'Free webinar for parents of secondary school students'. The main body of the poster contains three paragraphs of text in white, followed by a photograph of a woman hugging a young girl. To the right of the photo are three blue boxes with white text, each containing a heading and a short paragraph. At the bottom left, the date and time are listed. In the center bottom, there is a call to action to scan a QR code and sign up. At the bottom right, there is a QR code itself. The 'BEYOND' logo is also present at the bottom left.

AI tools are evolving fast – and some are being misused in ways that can harm or exploit children and young people, including through the creation of deep fakes and digitally altered images. This 45-minute webinar covers how these technologies are being used, their impact and how to support and protect your child. It's suitable for parents and carers of upper primary and high school students.
