Looking to get out and have some fun over the school holidays? We're running four weeks of exciting programs from Monday 5 January to Wednesday 28 January 2026.

Each day includes two sessions, with a wide mix of activities like creative arts, sports, Lego challenges, games, themed workshops and more.

Our school holiday programs are designed to be fun, social and interactive. They're a great way to make friends, try new things and get involved in the community during the break. Participants can attend one or multiple sessions across the program.

All activities are held at our Ryde Hub, which includes tennis courts, basketball courts, gardens, parklands and plenty of accessible spaces for indoor and outdoor activities. Places are limited, so if you'd like to learn more or register your interest, please reach out today!
