What is Rotary?

Rotary is an international organisation with around 1.2 million members. It brings together people who want to make a difference in the lives of others whilst enjoying the company of like-minded individuals.

Why might you consider joining your local Rotary Club?

- You might want to have fun whilst meeting and working with new people.
- You might want to change the world, one project at a time.
- You may want to give back to your local community.
- You might want to answer the question “Why doesn’t someone do something about....?”

Rotary’s basic philosophy is its

Rotary’s Five Avenues of Service

Club Service: strengthening fellowship and ensuring the effective functioning of our Club.

Vocational Service: serving through our vocations and practising high ethical standards.

Community Service: our projects and activities to improve the life of our community.

International Service: actions that expand Rotary’s humanitarian reach around the globe, promoting world understanding and peace.

New Generation Service: leadership development activities bringing about positive change for youth and young adults.

The mission of Rotary International is to provide service to others, promote integrity and advance world understanding, goodwill and peace through its fellowship of business, professional and community leaders.
