

Easter Food Basket Blessing

Holy Saturday, 4th April at 10am
St Kevin's Parish, Eastwood

Blessing of the food for Easter breakfast is one of the most enduring Polish traditions.

Baskets containing samples of food like: cold meat, boiled eggs, bread, cake and other types of food that you would usually have on Easter, will be blessed in the Church.

Food baskets are presented on a table in front of the altar. The priest will say a special prayer to bless the food and sprinkles each basket with Holy Water.
