

SPORT REPORT – WEEK 11, TERM 2 – 3/7/2026

Thursday Representative Sport Sydney Quarter Finals

Marist College had 3 teams qualify for the Sydney Quarters Finals – this is a fantastic achievement and one that we are extremely proud of. Unfortunately through injury, illness and other competing priorities our U16s Rugby League team were unable to play. Their Conference Championship is the best Rugby League result Eastwood has had in more than a decade. Congratulations boys.

Intermediate Football

A steady start in the Intermediate final saw neither team find the back of the net in the first half. After a defensive start to the 2nd half St Mary's snuck in behind to go to the lead, Eastwood knowing they needed a goal committed numbers to attack and as a result leaked goals late to go down 4-nil.

Senior Football

Senior Football went down 1-nil in a great battle on Thursday. Unfortunately an early goal proved the difference between the two sides. Despite 2nd half dominance and a number of promising raids into the opposition penalty area an equaliser could not be found. Congratulations to all the Year 12 students who played their last game for the College.

Team	vs	Result	Score	Best Players
Intermediate A	St Mary's Cathedral College, Sydney	Loss	0-4	Levi Cheng
Senior A	St Mary's Cathedral College, Sydney	Loss	0-1	Jayden Villafranca

Sydney Table Tennis

Congratulations to **Jayden Villafranca** and **Carson Shum** who qualified for and played at the Sydney Table Tennis Championships on Wednesday. These students finished runners up in their Conference in order to qualify and played 3 very tough ties on the day. Both boys acquitted themselves admirably and finished 6th overall.
