Congratulations to the 42 students who represented Marist College Eastwood on Wednesday at the Sydney Cross Country Championships. An early morning greeted the boys as we made our way to the Sydney International Equestrian Park. The day started positively with **Julian Smith** finishing a close 2nd overall in the 18 years 8km race. This was Julian's last opportunity to run for the College and he has medalled in every edition of this event since he was in Year 7. Other notable performances include - these students will qualify for the NSWCCC Cross Country Titles later in the Term.
