# 2027 School Fees

16 October 2026

Dear Parents and Carers,

At Sydney Catholic Schools (SCS), we are committed to providing a high-quality and affordable Catholic education for every student. We appreciate the financial commitment involved in choosing a Catholic education for your children.

For 2027, school fees will consist of:

**Tuition Fees** – supporting teacher salaries and the delivery of high-quality learning and student programs.

**Building Levy** – contributing to the ongoing maintenance, renewal and improvement of school facilities across SCS.

**Resource Fee** – helping fund programs and initiatives that enrich the student experience, including music, sport and wellbeing programs.

The 2027 school fees are now available on our **School Fees Website**.

While some fee increases are necessary to meet rising education costs and continue delivering excellent learning opportunities for students, every effort has been made to keep increases as modest as possible. The fee structure has been carefully considered to balance the needs of our school community with affordability for families.

We are committed to working in partnership with families and understand that individual circumstances can change. If you have any questions or would like to discuss payment arrangements, please contact our school office.

Thank you for your ongoing trust, partnership and support of our school community.

Yours sincerely,

Mr David Sullivan
