

*Pymble Ladies' College*

## Pink Sports Day – Saturday 13 May (Mother's Day weekend)

**Pink Sports Day is a great way for our school community here at *Pymble* to rally together to raise awareness and funds for Breast Cancer Network Australia (BCNA) and their work supporting Australians affected by breast cancer.**

Being told you have breast cancer changes your life in an instant, and the lives of those around you – families, workplaces, sporting clubs, schools, and local communities. Funds raised through Pink Sports Days mean BCNA can provide vital information and support for the over 20,000 Australian women and men diagnosed each year.

**When:** Saturday 13 May 2023 (Mother's Day Weekend)

**What:** All players should wear pink socks for their games on this date. Official Pink Socks can be purchased by clicking [here](#) by 12.00pm (Midday) on Wednesday 19 April or families can source their own.

**Donations:** Extra donations can be given by clicking [here](#)

Thank you for getting involved in our fundraising and helping BCNA to inform, support, connect and represent all Australians affected by breast cancer. Breast cancer is the most commonly diagnosed cancer in Australian women with one in seven diagnosed in their lifetime.

Mrs. Katie Edwards  
Head of Sport (Year 7 to 12)
