

Pymble Family Book Club

We are excited to launch The Pymble Family Book Club.

With this initiative, we are offering families the chance to read great stories together, share ideas, and attend events to connect with authors and fellow readers.

The first author we will be showcasing is **Maryam Master**. Her books *Exit Through The Gift Shop* and *No Words* have been celebrated by critics and readers alike.

Join us on Wednesday 28 August at 5pm in Conde Library.

We invite you to come along to spend time with your family and friends, discuss Maryam Master's books, led by the author herself, and connect over literature. You can see Maryam talking with *Pymble* students earlier in the year about her books on [this video](#).
