Parent Presentation –

Highfields

Having a gifted child isn't always easy. What can you do as a parent to support your child through school?

Presenter – Dr Ruth Phillips –

Learning and Development Consultant and Director, Accanto Pty Ltd.

Ruth works with groups, individuals and organisations to provide better understanding about the way people learn and in particular, the way individuals develop and use their potential. Ruth is still a practising teacher with over 25 years of expertise as well as a consultant for over 10 years. She has worked with teachers across all sectors of Australia. Ruth is particularly passionate about helping families and schools understand the needs of gifted students.

This presentation will be delivered over zoom. More details to come.

To ensure Ruth can tailor the workshop to address your needs and answer your questions, please complete the form at the link below to allow us what you want to know. If there are common questions received, these will be covered in the presentation.
