

Winter

Across

- 3.** Animal behaviour during chilly months
- 5.** Something that you drink to stay warm
- 6.** Something that you can put on your head to keep warm
- 7.** A weather event that doesn't happen in Australia

Down

- 1.** A rare astronomical event that happens in southern countries
- 2.** Something that you sit in front of to stay warm
- 3.** A small, round object that you can hold in your hand
- 4.** These keep your fingers warm in snowy weather
